

Dear Coach Allocco,

Thank you so much for taking the time every summer to invest in the lives of young people. My son attended the afternnoon camp last week and absolutely loved it. He was on Ohio State. His coach did a great job being patient with the kids and working with my son, Dominic. I attended your camps back in the mid 90s with Ryan Thompson and was glad to see that you're still doing it.

Once again, thank you.

Best,

Dan Azzarello
