

Hi Coach Allocco,

I just wanted to thank you for a wonderful week of camp in New Providence. My daughter had a great time and learned so much. I always enjoy your talk at awards and find it so inspiring. You talk about things that I try to impress upon my kids daily and it's so nice to have an adult they respect, who has such success in a sport they love, emphasize those same character traits. I tear up every year when you teach these kids how important dedication and respect is- for themselves, their team and their parents. Your talks are not just about basketball, which I truly appreciate. I wish we lived closer to your year round clinics and camps but I am thrilled that my daughter has an opportunity to work with you in the summers! Glad you are back!

Thanks again.
