

Hi Coach Allocco,

I wanted to take a moment to thank you for running the NJ basketball camp. My son Sam Bernard is now a senior at Millburn HS and a returning starter on the varsity team. Sam was a late bloomer, he didn't make the town team until 8th grade and wasn't even called back in 6th or 7th grade meaning he wasn't considered one of the 25 or 30 best players at his grade level. He loves basketball though and attending your camp was the highlight of his summer for years. It was also the difference in his continued development and improvement. We have your quotes on our refrigerator and he sees them everyday and quotes them from time to time and we still have copies of your shooting chart. Sam has dreams of playing Division 3 and I don't know if he can or not but I would have never thought he would be on the varsity team when he was a 7th grader, much less a 2 year starter. This is not to brag (though I am incredibly proud of him) but to give you the credit you deserve for instilling a love of the game and more importantly an understanding that hard work pays off.

Unfortunately he won't be attending the camp this year and we will miss it greatly. Thanks so much for all you have given Sam.

Kind regards,

Joe Bernard
